Thank you for saying "yes" to God's call to minister with the sick and elderly. You bring Christ's compassion to others in their most vulnerable moments.

Sue Wagner, Volunteer Director at LMS, has a computerized system, however, you can still sign in as you have in the past. Name tags can be picked up and returned there as well.

Thank you for keeping personal information about the residents confidential. If you have specific information about a resident that you feel I need to be aware of, please do not hesitate to give me a call. If you are unable to help on your assigned day, please try to find a substitute. If you are unable to do so, that is certainly understandable.

Note Contingency Plan for Holy Communion Ministry Days: If you arrive at 9 a.m. and no one has brought the Eucharist, please call the parish office at 952-472-1284. If you find out that no one has checked in at the office to do so because of a last minute situation, there is no Communion Ministry that day. I'm sorry for this inconvenience.

Sincerely in Christ, Sr. Carrie Link, Pastoral Minister
